## Fire Department CIP for FY 2013/2014 Mid-Year Review

We have 31 SCBAs. 26 SCBAs were purchased in 2008. SCBA bottles expire for use after 10 years. There are twenty six SCBAs that must be upgraded (replaced) by 2018 to current NFPA standards. This gives us three funding cycles to purchase all. Six SCBA this year will start this process. We will continue to seek grant funding to assistance, no joy yet. The purchase of the new engine came with 5 new SCBAs. They will not have to be replaced in this manner.

### Comments

A wonderful vehicle at a wonderful price is what we strive to achieve. Priced below NADA Retail!!! Why pay more for less.. One of the best things about this Express 3500 is something you can't see, but you'll be thankful for it every time
